## **Village of Dresser, Wisconsin Post-Issuance Debt Compliance Policy**

The Village Board (the “Board”) of the Village of Dresser, Wisconsin (the “Village”) has chosen, by policy, to take steps to help ensure that all obligations will be in compliance with all applicable federal regulations. This policy may be amended, as necessary, in the future.

### **Background**

The Internal Revenue Service (IRS) is responsible for enforcing compliance with the Internal Revenue Code (the “Code”) and regulations promulgated thereunder (“Treasury Regulations”) governing certain obligations (for example: tax-exempt obligations, Build America Bonds, Recovery Zone Development Bonds and various “Tax Credit” Bonds). The IRS encourages issuers and beneficiaries of these obligations to adopt and implement a post-issuance debt compliance policy and procedures to safeguard against post-issuance violations.

### **Post-Issuance Debt Compliance Policy Objective**

The Village desires to monitor these obligations to ensure compliance with the Code and Treasury Regulations. To help ensure compliance, the Village has developed the following policy (the “Post-Issuance Debt Compliance Policy”). The Post-Issuance Debt Compliance Policy shall apply to the obligations mentioned above, including bonds, notes, loans, lease purchase contracts, lines of credit, commercial paper or any other form of debt that is subject to compliance.

### **Post-Issuance Debt Compliance Policy**

The Village Clerk/Treasurer of the Village is designated as the Village’s agent who is responsible for post-issuance compliance of these obligations.

The Village Clerk/Treasurer shall assemble all relevant documentation, records and activities required to ensure post-issuance debt compliance as further detailed in corresponding procedures (the “Post-Issuance Debt Compliance Procedures”). At a minimum, the Post-Issuance Debt Compliance Procedures for each qualifying obligation will address the following:

1. General post-issuance compliance;
2. Proper and timely use of obligation proceeds and obligation-financed property;
3. Arbitrage yield restriction and rebate;
4. Timely filings and other general requirements;
5. Additional undertakings or activities that support points 1 through 4 above;
6. Maintenance of proper records related to the obligations and the investment of proceeds of obligations;
7. Other requirements that become necessary in the future.

The Village Clerk/Treasurer shall apply the Post-Issuance Debt Compliance Procedures to each qualifying obligation and maintain a record of the results. Further, the Village Clerk/Treasurer will ensure that the Post-Issuance Debt Compliance Policy and Procedures are updated on a regular and as needed basis.

The Village Clerk/Treasurer or any other individuals responsible for assisting the Village Clerk/Treasurer in maintaining records needed to ensure post-issuance debt compliance, are authorized to expend funds as needed to attend training or secure use of other educational resources for ensuring compliance such as consulting, publications, and compliance assistance.

Most of the provisions of this Post-Issuance Debt Compliance Policy are not applicable to taxable governmental obligations unless there is a reasonable possibility that the Village may refund their taxable governmental obligation, in whole or in part, with the proceeds of a tax-exempt governmental obligation. If this refunding possibility exists, then the Village Clerk/Treasurer shall treat the taxable governmental obligation as if such issue were an issue of tax-exempt governmental obligations and comply with the requirements of this Post-Issuance Debt Compliance Policy.

#### **Private Activity Bonds**

The Village may issue tax-exempt obligations that are “private activity” bonds because either (1) the bonds finance a facility that is owned by the Village but used by one or more qualified 501(c)(3) organizations, or (2) the bonds are so-called “conduit bonds”, where the proceeds are loaned to a qualified 501(c)(3) organization or another private entity that finances activities eligible for tax-exempt financing under federal law (such as certain manufacturing projects and certain affordable housing projects). Prior to the issuance of either of these types of bonds, the Village Clerk/Treasurer shall take steps necessary to ensure that such obligations will remain in compliance with the requirements of this Post-Issuance Debt Compliance Policy.

In a case where compliance activities are reasonably within the control of a private party (i.e., a 501(c)(3) organization or conduit borrower), the Village Clerk/Treasurer may determine that all or some portion of compliance responsibilities described in this Post-Issuance Debt Compliance Policy shall be assigned to the relevant party. In the case of conduit bonds, the conduit borrower will be assigned all compliance responsibilities other than those required to be undertaken by the Village under federal law. In a case where the Village Clerk/Treasurer is concerned about the compliance ability of a private party, the Village Clerk/Treasurer may require that a trustee or other independent third party be retained to assist with record keeping for the obligation and/or that the trustee or such third party be responsible for all or some portion of the compliance responsibilities.

The Village Clerk/Treasurer is additionally authorized to seek the advice, as necessary, of bond counsel and/or its financial advisor to ensure the Village is in compliance with this Post-Issuance Debt Compliance Policy.

In 2011 and thereafter it will remain at \$10,000,000 unless changed by Congress). - f. The Village Clerk/Treasurer will consult with the Village's bond counsel prior to any sale, transfer, change in use or change in users of obligation-financed property which may require "remedial action" under applicable Treasury Regulations or resolution pursuant to the VCAP Program.

A remedial action has the effect of curing a deliberate action taken by the Village which results in satisfaction of the private business test or private loan test. Remedial actions under Section 1.141-12(d)(e) and (f) include the redemption of non-qualified bonds and alternative uses of proceeds or the facility (i.e. use for a qualified purpose instead).

- g. The Village Clerk/Treasurer will ensure that the appropriate tax form for federal subsidy payments is prepared and filed in a timely fashion for applicable obligations (i.e. Build America Bonds).
